SUGAR FREE AND GLUTEN FREE

0.25
mg/mL*

*Each 1 mL provides 0.25 mg Fluoride

Rx Only
1 2/3 FL. OZ (50mL)
Fruit Flavor

Dietary Supplement

Caution: Do not use this product if you are allergic to any of the ingredients. Take this product at least 2 hours before or after taking any products containing calcium or aluminum/magnesium hydroxide since these may decrease effectiveness.

Prolonged daily ingestion of excessive fluoride may result in varying degrees of dental fluorosis. Contains 0.25 mg fluoride ion (F⁻) from 0.55 mg sodium fluoride (NaF).

DESCRIPTION: Brown, dye free, fruit flavored liquid.

DIRECTIONS: Administer orally as prescribed by a healthcare practitioner.

How to Use: Fill dropper to appropriate line and dispense with a single squeeze of the dropper bulb. The full dose will be given. It is normal for a small amount to remain in the tip of the dropper.

Do not use if seal is broken or missing from bottle.
