

Terraflora® Deep Immune is a novel, broad spectrum synbiotic incorporating LC-Plasma (a unique immune activator), with a combination of spore form probiotics, and food-based prebiotics, designed for GI and immune support.*

SUGGESTED USE: Start with 1 capsule every other day, and slowly increase to 1 capsule, 2x daily. Best taken with food. Contains NO dairy, wheat, gluten, corn, sugar, soy, tree nuts, or GMO's. Made without stearates, fillers, binders, or flow agents. Packaged using organic cotton.

If you are pregnant, nursing, or have a medical condition, consult your healthcare practitioner before use.

STORE TIGHTLY SEALED IN A COOL DRY PLACE. USE ONLY IF INNER FOIL SEAL IS INTACT. NO REFRIGERATION REQUIRED.
