325 mg
(5 Grains)
100 TABLETS

Supplement Facts

Serving Size: 1 Tablet

Amount Per Tablet	% Daily Value
Iron (as dried ferrous sulfate)	65mg..... 361 %

Warnings: Since oral iron products interfere with absorption of oral tetracycline antibiotics, these products should not be taken within two hours of each other. Iron-containing products may cause constipation or diarrhea. As with any dietary supplement, if you are pregnant or nursing a baby, seek advice of a health professional before using this product.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Directions: AGE	DOSE
Adults and children 12 years of age and over	Take one tablet daily, preferably after a meal, or as directed by a physician.
Children under 12 years of age	Consult a physician. Do not chew or crush tablet.
