Liquid Vitamin A, C & D Supplement

If you have any questions concerning your child's supplement needs, please consult your child's physician.

The American Academy of Pediatrics (AAP) recommends using a vitamin D supplement for exclusively and partially breastfed babies because of the low average levels of vitamin D in breast milk.

TRI-VITE Drops is designed to help meet the nutritional needs of your growing infant.*

One daily dose of TRI-VITE Drops has Vitamin A, C and D with bubble gum flavored.

Vitamin A, C & D Drops is gluten-free and lactose-free.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
