Rev. C-01

Ultimate Omega® provides an exceptionally high concentration of omega-3 EPA and DHA for high-intensity, therapeutic support. Our most popular concentrate, Ultimate Omega has been shown in clinical research to support both a healthy heart and the body's natural anti-inflammatory response.*

Every batch of Nordic Naturals fish oils is third-party tested for environmental toxins, including heavy metals, dioxins, and PCBs. All fish oils used in Nordic Naturals products surpass the strictest international standards for purity and freshness. Certificates of Analysis are available upon request.

Suggested Use: Two soft gels daily, with food, or as directed by your health care professional or pharmacist. For ultimate support, take two soft gels with food twice daily.

Store in a cool, dry place, away from sunlight
