

MUSCLE FEAST

MFX EAA provides the perfect combination of natural energy, antioxidants, essential amino acids, and electrolytes. Our unique Electrolytes++ hydration formula creates an optimal cellular environment to absorb all nine essential amino acids for muscle growth and recovery. Additionally, we've included an antioxidant blend of Vitamin C and Green Tea Extract to reduce oxidative stress, aiding in the body's fight against free radicals to further promote muscle cell health. Finally, we've included 75mg of natural caffeine sourced from coffee beans, to ensure that you are reaching top-level performance, both mentally and physically.

SUGGESTED USE:

Mix one-scoop with 12-16 oz. of cold water and drink 20-30 minutes before training, or anytime you might need more energy.

Keep tightly closed in a cool, dry place away from sunlight.

KEEP OUT OF REACH OF CHILDREN.

Do not exceed the recommended dose. Consult your physician before using this product. Do not use this product if you are pregnant or nursing. Do not use this product if you are taking ANY prescription medication. Do not use this product if you are under the age of 18.
