

Fortifeye Blue Green Superfood New Improved Formula was developed by doctors who have a passion for proper nutrition. This supplement is both Paleo friendly and FODMAP free. FODMAPs are certain common foods that contain fermentable oligosaccharides, disaccharides & monosaccharides & polyols that may aggravate IBS and other functional gastrointestinal disorders. This is a blend of carefully thought out and selected fruits and vegetables that provide essential nutrients needed for optimal health. No inexpensive fillers, bulking agents or fibers are used in this formula.
