

FEMESSE® is a proprietary combination of herbal extracts, vitamins, minerals, and botanicals that is formulated to support healthy breast tissue and maintain normal hormone levels. This formula promotes essential hydration and elasticity of skin and connective tissues, and may help to maintain breast shape and fullness. The hormone-balancing ingredients in **FEMESSE** can also assist in supporting comfortable PMS symptoms. Femesse's nutritives may also play a role in promoting beautiful and healthy skin. These nutritives include maitake mushroom, evening primrose oil (GLA), Vitamin E, lecithin, zinc, Vitamin B-6, selenium and folic acid.

SUGGESTED USE: Take four (4) capsules two (2) times daily with a full glass of water or as recommended by your healthcare provider. It is recommended that the product be taken for a minimum of three (3) months before assessing results. Individual results may vary.

WARNING: Temporary soreness of the breast may occur. Do not take this product if pregnant or nursing.
