Discussion: Omega 3 with D3 helps support healthy bones and brain function. Omega 3 with D3 is formulated as a softgel, providing greater absorption for these fat-soluble nutrients/vitamins. *

Directions: Take one softgel daily with/without food, or as directed by a health care provider.

Warning: Consult your physician before use if you're pregnant, breastfeeding, have a medical condition, or if you're taking any medication. Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
