Discussion: SuperFocus™ helps support alertness, wakefulness and endurance as well as physical and cognitive performance. The ingredients in SuperFocus™ help support brain function and mental stamina. *

Directions: Take 1-2 capsules daily with or without food, or as directed by a health care practitioner. To reduce chance of side effects, start with one capsule and gradually increase to the effective dose. For occasional use only. Consult a health care practitioner for use beyond 3 months.

Warning: Consult your physician before use if you are pregnant, breastfeeding, have medical condition (high blood pressure, diabetes, glaucoma, overactive bladder), or are taking any medication (eg. hormone replacement therapy (HRT), birth control pills, antidepressant medications, lithium, blood thinners, or blood pressure increasing medications such as ephedrine). Keep out of reach of children.

Caution: Discontinue use if you experience irritability, insomnia, hypersensitivity/allergy, anxiety, or headaches. This product is not intended as a substitute for sleep.

AOR™ guarantees that all ingredients have been declared on the label. Made without wheat, gluten, corn, nuts, peanuts, sesame seeds, sulfites, mustard, soy, dairy, eggs, fish, shellfish or any animal byproduct.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
