

DEVIGEST® Advanced Digestive Support works with your digestive system to support comfortable digestion.* **DEVIGEST** features a unique Dipeptyl Peptidase (DPPIV) enzyme that specifically targets gluten and casein.* It has also been enhanced to function over a broad pH range, allowing for complete digestion throughout the entire digestive system.* Large amounts of lactase are included for adequate digestion of dairy sugars, and alpha galactosidase has been added to support the digestion of gassy foods, decreasing the amount of flatulence, abdominal bloating and digestive discomfort.*

SUGGESTED USE: Take Devigest with 8 oz of water at the beginning of each meal or as directed by your healthcare practitioner. Additional capsules may be taken during periods of occasional discomfort.*

DAILY MAINTENANCE: 1-2 Capsules per meal.*

INCREASED SUPPORT: 4 Capsules per meal.*
