

**SUGGESTED USE:** Take one softgel with food, up to six times daily.

**Plant Based Essential Fatty Acids**

**Evening Primrose Oil** provides gamma-linolenic acid (GLA), linoleic acid and other important fatty acids. Evening Primrose Oil is the most researched source of GLA. All of the fatty acids in Evening Primrose Oil play a major role in supporting heart, skin, cell membrane and nerve health.<sup>†</sup> As a supplement, it can offset the body's declining ability to convert linoleic acid into gamma-linolenic acid. Our Evening Primrose Oil is non-GMO and tests below detection limits for pesticides and herbicides.

**CONTAINS NO** artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

<sup>†</sup>SGS verified the process for manufacturing this product with no GMO ingredients. [www.sgs.com/no-gmo](http://www.sgs.com/no-gmo)

Store in a cool, dry place.

We Guarantee Our Supplements for Potency and Purity
