

Description: Formulated to increase muscle energy and relieve muscular weakness and fatigue caused by everyday use, as well as providing antioxidant effect to help strengthen the immune system.* Co-Balamin is an orally administered prescription dietary supplement and should be administered under the supervision of a licensed medical practitioner.

Suggested use: Take one softgel by mouth daily, or as directed by a licensed medical practitioner.

Notice: This product is produced from natural sources and contains no yeast, sugar, starch, artificial flavors, or preservatives.

Caution: Do not exceed recommended dose. Pregnant or nursing mothers, children under the age of 18 and individuals with known medical condition(s) should consult a physician before using this or any dietary supplement. Keep out of reach of children. Do not use if safety seal is damaged or missing.

Folate alone is improper therapy in the treatment of pernicious anemia and other megaloblastic anemias where vitamin B12 is deficient. Folate in doses above 0.1 mg daily may obscure pernicious anemia in that hematologic remission may occur while neurological manifestations progress.

Storage: Store at controlled room temperature 15o-30oC (59o-86oF). Protect from light and moisture.

KEEP OUT OF REACH OF CHILDREN. KEEP IN A COOL, DRY PLACE.
