

Powerful ALA Fights Oxidation Causing Free Radicals[†]

Alpha-Lipoic Acid (ALA) is involved in energy-producing reactions in the body. ALA is both fat and water soluble, allowing it to be used at the cell membrane level and inside the cell. It helps the body recycle vitamins C and E, CoQ10, and glutathione.[†]

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

Store in a cool, dry place.

We Guarantee Our Supplements for Potency and Purity
