Promotes wellness and supports the immune system

Kids Super Immune powder starts with great tasting polyphenol-rich elderberries, a fruit long recognized for its health benefits. These are combined with concentrated echinacea, harvested from our own 90 acre organic farm, juiced and then fresh freeze-dried. Larix arabinogalactan, a prebiotic phytonutrient extracted from the larch tree, is added for its powerful immune boosting properties. These three herbal superstars are blended with the natural goodness of fresh freeze-dried fruit to create a great tasting powder that blends into water or juice.

Formulated by a naturopathic physician, Kid's Super Immune Powder has no added sugar, sweeteners, additives, fillers or preservatives.

1 Fill kid's cup with 6 oz water/juice

2 Add 1 tsp of powder, shake well

3

Drink and enjoy

Can also be added to smoothies, dips, yogurt or other foods. This product is best stored tightly capped in the refrigerator after opening. Consult your health care advisor regarding the use of this product during pregnancy, with infants, or with prescription drugs. **100% Kosher.**
