

Since 1972

## Digestive System Support\*

This supplement provides 11 different strains of living probiotics (friendly bacteria) to help optimize the repopulation of beneficial bacteria in the intestinal tract. Proper amounts of friendly bacteria may result in improved immune function and overall intestinal health.

Probiotic Eleven also contains both short and long chain FOS, also known as prebiotic dietary fibers, that promotes friendly bacteria growth in the intestinal tract.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

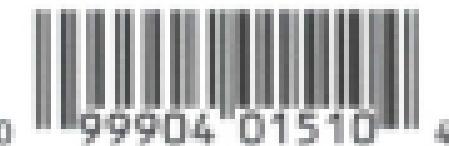

### RECOMMENDATION

Take one or two capsules daily with a meal.

### KEEP FROZEN OR REFRIGERATED

This bottle was sealed for your protection. Do not use if seal is missing or damaged. Nature's Sunshine uses natural enzyme stabilizers to protect these living probiotic cultures.
