

Powerful Joint Relief Works While You Sleep!

Instaflex® PM is uniquely formulated with **Levagen®+**, a clinically validated ingredient that relieves joint discomfort and supports a healthy inflammatory response. It works like CBD by targeting pathways in the body's endocannabinoid system*. But you can rest easy knowing Instaflex® PM is entirely safe, legal, and non-habit forming!

We've also added **TamaFlex®**, a powerful blend of turmeric and tamarind extracts. It's been shown to decrease stiffness and increase mobility in just 5 days—with results that grow over time. And we added **GABA** for deeper sleep, so you wake up feeling rejuvenated and like the best is yet to come!*

PRECAUTIONS: Only for adults over 18 years. Use only as directed. Consult your healthcare practitioner if you have or suspect a medical condition, are pregnant or nursing, or if you use any medications, as certain ingredients may alter their potency and/or side effects. Discontinue use two weeks prior to surgery or if any serious adverse reaction occurs. Do not use if safety seal is missing.

Keep out of the reach of children. Keep product at room temperature and humidity [59-86°F (15-30°C), 40% RH].

Levagen®+ is a trademark of Gencor.

TamaFlex® is a trademark of NXT USA, Inc. Patents Pending.
