

ISA-TEST^{GF}

Testosterone, Estrogen, and Growth Factors are the most potent anabolic hormones for increased muscle mass, strength gains, and cranked up sexual drive! Here's why ISA-TEST is the breakthrough Testosterone formula you've been waiting for:

- Clinically shown to increase your Bioavailable Testosterone by up to 154%†
- Exclusive P-450™ reduces "female-hormone" Estrogen by up to 43%†
- Spikes Anabolic Growth Factors by 140%†
- New Rapid Bio-Diffusion Delivery Technology—works from the first dose to dramatically raise your Testosterone levels, naturally, whenever you want!

STUDY: R. Mendel, PhD, et al. "Hormonal Responses to ISA-TEST Admin.," Ohio Research Group, [2005].

IMPORTANT: This product does not contain any prohormones or pro-steroids.

NOTICE: Use only as directed. Do not exceed suggested daily dose. Not intended for individuals under the age of 18, unless instructed by a doctor. Women should not use this supplement; so obviously, do not use this product if you are pregnant, nursing, or are contemplating pregnancy. If you have a medical condition or are taking any prescription medications, please consult your physician first. **WARNING:** For adult use only at bedtime. This product is not to be taken by pregnant or lactating women. If you are taking medication or have a medical condition, consult a physician before using this product. Do not use in conjunction with alcoholic beverages, when driving a vehicle, or while operating machinery. If your health-care provider has any questions, please have him or her call 1-303-215-9174. KEEP OUT OF REACH OF CHILDREN.

QUALITY SATISFACTION GUARANTEE: ISA-TEST™ contains a proprietary formula that cannot be duplicated and is manufactured under the strictest pharmaceutical-quality guidelines. The contents of each production run are analyzed by independent laboratories to ensure the complete purity, potency, and accuracy. If, for whatever reason, you are not satisfied, return it for the appropriate refund.
