Building muscle requires proper nutrition and the best workouts. Who doesn't want an outrageous pump during an amazing workout? Many pre-workout supplements deliver energy and focus, but fail to deliver the pump you are after. Thanks to N.O.-XPLODE VASO your search is over! N.O.-XPLODE VASO is scientifically engineered to deliver real pumps, as well as the power to drive energy, endurance, focus and muscle performance. You get exactly what you need every time! What really separates N.O.-XPLODE VASO from the rest is the skin splitting pumps you get from 8g of citrulline and 1g of creatine nitrate NO3-Te to supply nitrates for nitric oxide precursors, topped with 25 mg of selaginella, hydrolyzed casein and resveratrol for next leve pumps! You also get 3.2 g of beta alanine for endurance, along with energy and focus from 300 mg of caffeine and 37 mg of yohimbe extract. Available in a variety of exciting flavors from BSN, N.O.-XPLODE VASO helps you maximize every workout because nothing works like N.O.-XPLODE VASO!

DIRECTIONS: Mix 21 grams (about 1 scoop) with 6-8 fl oz of cold water and consume 15-30 minutes prior to workout Shake before use: store in a cool, dry place away from direct sunlight
