Warning: Keep Out of Reach of Children. Do not use if safety seal is damaged or missing. If you are pregnant, nursing, taking any medications, planning any medical procedure or have a medical condition, consult with your healthcare practitioner before use.

Magnesium promotes energy, supports healthy skeletal and cardiovascular systems.* Foods that supply magnesium include dark green leafy vegetables, beans, nuts, and whole refined grains. However due to soil depletion and poor eating habits, many people do not get enough magnesium.

Magnesium Malate and Magnesium Glycinate are "gentle" forms of magnesium that are amino acid chelates.
