DHA, GLA & VITAMIN E

DHA and related omega-3 essential fatty acids are major elements of both eye and brain tissue. Nature's Way® EFA Blend for Children combines the researched levels of these key essential fatty acids to support eye and brain function.*

RECOMMENDATION:

Children over 5: Take 2 softgels each morning and evening with food or drink.

For more intensive use, take 4 softgels each morning and evening with food or drink for up to 12 weeks.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.
