

Advanced Conditioning System*

ALLMAX® Pro-Competition Series introduces **HYDRADRY™**, the most advanced competition-specific water loss system ever. **HYDRADRY** is tailored specifically to the needs of the on-stage competitor who needs the sharpest, razor-like hardness that only **HYDRADRY** can deliver.*

HYDRADRY works by eliminating excess water from beneath the skin to reveal the kind of detail that wins shows. Puffy, bloated skin caused by excess water hides muscle definition; this is made even worse by the harsh lights used in stage competition.*

Designed to be used for only 14-Days, the **HYDRADRY** Pre-Contest Water Loss System provides the ideal timeframe to ensure razor-sharp definition. Since there are no harsh chemicals, **HYDRADRY** works with your body to gently but effectively reduce the appearance of edema, or puffy skin caused by excess water.*

HYDRADRY features 1,200 mg per day of 2 different standardizations of *Taraxacum* (Dandelion leaf extract) renowned for its ability to eliminate subcutaneous water. Maintaining your electrolytic balance is essential while going into a water depletion schedule: **HYDRADRY** features high levels of potassium, calcium and magnesium to keep your electrolyte balance up. Vitamin B6 (pyridoxine) is widely known to be an effective supplement to fight edema and we have included it at 1000% DV per serving.*

High-potency Decaffeinated Green Tea (98% extract) is a strong diuretic and has been used to reduce water for centuries while also allowing you to take in the evening. Horsetail extract is high in natural silica content and is one of the most effective water reduction herbs known. Uva-ursi, Hydrangea root, Buchu leaf, Parsley leaf extracts all have a long tradition with synergistic diuretic activities.*

ALLMAX® Pro-Competition Series **HYDRADRY™** has the most comprehensive matrix of ingredients to create the dry, hard, stage-perfect look you need to win.*

WARNINGS: Consult your health care practitioner prior to use if you are under medical supervision or if you have a serious pre-existing medical condition or taking prescription medication or if you have a liver disease or if you have an on deficiency. Do not use if you are pregnant or breastfeeding, have liver or gall bladder disorders, and/or bowel obstruction. Stop use if you develop symptoms of liver trouble such as abdominal pain, yellowing of the skin/eyes (jaundice), stomach pain, dark urine, swelling, nausea, unusual tiredness and/or loss of appetite and consult a health care practitioner. Rare, severe allergic cases of liver injury associated with green tea extract-containing products have been reported (in Canada and internationally). Consult your health care practitioner if symptoms worsen or persist. Discontinue use if you develop symptoms of liver trouble. Contraindicated in kidney disorders, irritated digestive conditions or with acidic urine. Side effects may include gastrointestinal intolerance. Avoid taking on an empty stomach. Store in a cool, dry place. Keep out of reach of children. Do not use if inner seal is broken.

CALIFORNIA WARNING: Lead is known to the State of California to cause birth defects or reproductive harm. Consuming this product can expose you to more than 0.000005 g of lead. For more information go to www.P65Warnings.ca.gov.

ALLERGEN WARNING: Produced in a facility that also handles Milk, Soy, Wheat, Egg, Peanut, Tree Nuts, Fish, Crustacean and Shellfish products.
