

Solgar® Advanced Acidophilus Vegetable Capsules are a source of *Lactobacillus acidophilus*, a beneficial microorganism that naturally resides in the lower digestive tract. This product is formulated with the well-known strain LA-5®, providing friendly bacteria for the digestive system.*

If you are pregnant, nursing, taking any medications or have any medical condition, please consult your healthcare practitioner before taking any dietary supplement. Discontinue use and consult your healthcare practitioner if any adverse reactions occur. Keep out of reach of children. Do not use if inner seal is missing or damaged.

Guaranteed quality and CFU through expiration when continuously stored in the original packaging as directed. Store in a cool, dry place away from direct sunlight. Refrigeration optional.

LA-5® is a registered trademark of Chr. Hansen.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
