

Only Solgar® Menopause Relief combines the clinically studied ingredients Siberian Rhubarb (ERr-731®) and affron® Saffron:

- Siberian Rhubarb (ERr-731®) has been clinically studied to help relieve a full range of the most common symptoms women experience during menopause.*
- affron® Saffron has been clinically shown to help you to maintain a positive mood and supports your emotional well-being.*

*As studied on Siberian Rhubarb and measured by the Menopause Rating Scale II; individual variations in symptoms or severity of symptoms experienced during menopause may exist.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
