TABLETS, IS NOT RECOMMENDED FOR CHILDREN UNDER AGE 4 DUE TO
RISK OF CHOKING.**

Caution: Do not use this product if you are allergic to any of the ingredients.
Take this product at least 2 hours before or after taking any products
containing calcium (including milk, yogurt, other dairy products) or
aluminum/magnesium hydroxide (e.g., certain antacids/heartburn).
Prolonged daily ingestion of excessive fluoride may result in varying degrees
of dental fluorosis. Account for all daily sources of fluoride intake.

Other Information: You may report serious side effects to 1-800-503-8711.
Store in a cool, dry place at room temperature 20° - 25°C (68°-77°F) away
from heat and sunlight. Store in original container.

The numeric identifier on this product's labeling is an assigned product code
for use with pharmacy-level, health-insurance and state-level reimbursement
programs and is not intended to denote registration with
the FDA.

*The manufacturer of this product requires that it be
dispensed only under the order of a physician or
licensed medical practitioner.
