Supplement Facts

Serving Size 1 Tablet
Servings Per Container 1000

	Amount Per Serving	% Daily Value
Iron (as ferrous sulfate).....	65 mg.....	361%

Other ingredients: croscarmellose sodium, dicalcium phosphate, FD&C blue #1, FD&C yellow #6, hypromellose, magnesium stearate, microcrystalline cellulose, mineral oil, polyethylene glycol, sodium starch glycolate, stearic acid, talc, titanium dioxide, triacetin

Each tablet contains 202 mg of dried ferrous sulfate USP, equivalent to 325 mg of ferrous sulfate USP (65 mg of elemental iron).

Directions: Adults and children over 12 years: 1 tablet daily preferably with a meal or as directed by a doctor. Children under 12 years: Ask a doctor. **Do not exceed recommended dosage.**

Warnings: Iron may interfere with absorption of certain antibiotics; these products should not be taken within two hours of each other. Occasional gastrointestinal discomfort (such as nausea) may be minimized by taking iron with meals. Iron-containing products may occasionally cause constipation or diarrhea. If pregnant or nursing, consult a doctor before using this product.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or Poison Control Center right away (1-800-222-1222).

Store at room temperature. Keep tightly closed in a cool dry place.
