Description: Prenatvite Complete Tablet RX Prenatal Vitamin
with 1,000 IU Vitamin D Complete Vitamin for before, during
and after pregnancy.

DOSAGE AND ADMINISTRATION: Before, during and/or after
pregnancy, one tablet daily, with a meal, or as directed by a
licensed healthcare practitioner regardless of lactation status.
See package insert for full prescribing information.

WARNING: Accidental overdose of iron-containing products is a
leading cause of fatal poisoning in children under 6. Keep this product
out of reach of children. In case of accidental overdose, call a doctor or
poison control center immediately.

CAUTION: High levels of folic acid may, especially in older adults,
hide signs of Vitamin B-12 deficiency (such as pernicious anemia), a
condition that can cause nerve damage.

Store at 15°-30° C (59°-86° F). [See USP Controlled Room Temperature.]
Protect from light and moisture. Dispense in a tight, light-resistant
container. Notice: Contact with moisture may produce surface
discoloration or erosion.

Call your licensed medical practitioner about side effect.
You may report side effects by calling AUM: 1-631-524-5758.
