Ergocalciferol

Oral Solution, USP

Vitamin D Supplement Drops
8000 IU (0.2mg) Ergocalciferol per mL

Description: Each mL contains 8000 IU (0.2 mg) of ergocalciferol (Vitamin D₂) dissolved in propylene glycol.

Directions for Use: 400 IU daily to be taken orally using the supplied pre-measured syringe. Submerge the tip of the syringe into the liquid, pull plunger back to bring the liquid to the 400 IU mark, and dispense into mouth. **DO NOT FILL SYRINGE ENTIRELY.**

Contraindications: Contraindicated in people with hypercalcemia, malabsorption syndrome, abnormal sensitivity to the toxic effects of vitamin D, and hypervitaminosis D.

Warning: In case of accidental overdose contact a doctor or poison control center immediately.

Hypersensitivity to vitamin D may be a causative factor in infants with idiopathic hypercalcemia. In these children, vitamin D must be strictly restricted.

Caution: Adequate dietary calcium is necessary for response to vitamin D therapy.

Side Effects: Metabolic side effects include hypercalcemia.

You may report serious side effects by calling Virtus at 1-888-848-3593 or FDA at 1-800-FDA-1088

How Supplied: Each 60 mL polycarbonate screw top bottle contains 60 mL ergocalciferol in a propylene glycol base (0.2 mg ergocalciferol per mL).

Store at 20°-25° C (68°-77°F); excursion permitted between 15°-30° C (59°-86° F).
