Sanhelios® Circu Caps™

Circu Caps™, a special formulation of Butcher's Broom and Rosemary Oil, is a dietary supplement that is used by people all over the world for maintaining normal circulation in the legs.* The delivery system is a special soft gel capsule, which protects the precious ingredients and helps absorption of nutrients. Rosemary oil is included to support herbal delivery. Circu Caps™ assures safety and effectiveness. Its standardized extract of Butcher's Broom meets German Commission E standards and is manufactured according to stringent GMP's.

DIRECTIONS: Take one capsule twice daily with a meal. Can even be used if you experience occasional heavy legs.
