

Nature's Answer's Ionic Zinc Immune with Black Elderberry liquid is unique!

Nature's Answer's Ionic Zinc Immune with Black Elderberry delivers zinc in a form that passes more directly to where it can be absorbed by the intestine. The zinc is easily broken down in the stomach so is more readily available. Zinc is found throughout the body and is involved in a considerable number of processes and functions.*

WARNING: Keep Out of Reach of Children. Do not use if safety seal is damaged or missing. If you are pregnant, nursing, taking any medications, planning any medical procedure or have a medical condition, consult with your healthcare practitioner before use.
