

284% GREATER FREE BIOAVAILABLE TESTOSTERONE!*

8-wks ON 2-wks OFF **TESTOFX™** is our research-based, scientifically-validated, 5-Stage Testosterone Support. **TESTOFX™** is a Powerful Clinical Strength Formula; complete with the full dosage of active ingredients as indicated to be effective by research. The quality and purity of the ingredients in this formula are truly second to none.*

ALLMAX has been meticulous, even borderline obsessive, in selecting the highest potency ingredients found in the best research from around the world. Don't take our word for it, review our Supplement Facts panel; you'll find nothing but the highest quality ingredients, each with fully disclosed percentages of standardized active ingredients.

Rise In Bioavailable Testosterone Levels was Highly Significant*

Results clearly indicate that key ingredients in **TESTOFX™** have a positive effect on biologically active testosterone. The increase in Bioavailable Testosterone levels in the active group of participants was 284% over the placebo group. **TORODEX™** increases Bioavailable Testosterone from 5.9 to 28.1%*

376% INCREASE IN TOTAL TESTOSTERONE!

99% ACTIVES: We believe in providing 'ACTIVE' ingredients, not 'OIL!' Every capsule of **TESTOFX** contains 99% active ingredients. **NOT FILLER!**
100% OIL-FREE: **TESTOFX** is an OIL-FREE dosage form concentrated into 3 Rapid Release Caps. Many products on the market today hype "liquid technology". Bottom line, almost 50% of the content in these capsules is INACTIVE oil.

± 284% increase in bioavailable testosterone takes place in only 12 hours and is within physiological limits!*

TESTOFX™

AMPLIFY TESTOSTERONE NATURALLY*

- Increase Free Testosterone*
- Inhibit Estrogen Build Up*
- DHT & Cortisol Blocker*

DIETARY SUPPLEMENT

90 CAPSULES • 1 MONTH CYCLE

DIRECTIONS: Take 3 capsules of Super-Concentrated **TESTOFX** daily with at least 8 oz of water upon waking on both training and non-training days. **TESTOFX** has a 12-hour peak testosterone activity measurement. Morning administration will provide peak levels when your testosterone levels are naturally lowest, which is in the evening. For optimum results, **TESTOFX** should be cycled. Use for a minimum of 8 weeks followed by 2 weeks off.*
