

MacaForce™ provides whole, organically-grown, sun-dried maca root (*Lepidium meyenii*) with all of the nutrients and balance Nature has to offer. Also known as 'Peruvian ginseng,' maca grows high up in the Andes Mountains of South America at 14,000 feet above sea level. Maca has been honored for centuries by cultures in and around central Peru for its powerful nutritional, aphrodisiac, and adaptogenic properties.* Carefully selected herbal synergists and enzymes are added to MacaForce to support digestion and bioavailability.

Suggested Use: Start with one teaspoon and work up to one tablespoon per day, or as advised by a qualified health care professional. Add to hot beverages such as chai or herbal tea (boil in hot water for 5–10 minutes for even greater effect) or add to smoothies, juices, or raw desserts. Consume with conscious, positive intent during the day or before physical activity.

Suggested Adjuncts: A whole food, organic, vegan diet with emphasis on fresh, high-water-content foods, Vitamineral Green™, MycoForce Immunity™, Earth™, Green Protein Alchemy™, Shilajit Supreme™, exercise, fresh air, meditation, and everything else healthful. You deserve it!
