Suggested Use

To soothe cough and sore throat, give recommended serving size every 2-4 hours using the measuring cup provided. * ■ **Children ages 1 to 4:** 1 tsp ■ **Adults and children over age 4:** 2 tsp

Warnings

Do not use: ■ in children younger than 12 months because of the risk of botulism. Ask a doctor or pharmacist before using if you are not sure, ■ if your child is allergic to honey or any of the other ingredients in this product

Ask a doctor before use if the child has:

- cough that occurs with too much phlegm (mucus)
- cough that lasts or is chronic such as occurs with asthma or chronic bronchitis
- high blood pressure or diabetes

Stop use and ask a doctor if cough persists for more than 7 days, tends to recur, or is accompanied by high fever, rash or persistent headaches. These could be signs of a serious condition.

Keep out of reach of children
