

HEXAPRO™: ULTRA-PREMIUM, ULTRA-SATISFYING BLEND OF 6 HIGH-QUALITY, SUSTAINED-RELEASE PROTEINS*

HEXAPRO™ has 6 highly-bioavailable proteins; fast, medium and sustained-release. Combined, they ensure that protein delivery takes place across a much wider time frame than whey protein alone. Each protein has been carefully selected to achieve maximum protein assimilation and absorption. HEXAPRO™ has a completely unique blend of proteins that provide a complete spectrum of protein absorption unmatched among all other proteins.*

- 1- WHEY PROTEIN CONCENTRATE (WPC): Widely considered to be one of the best, most highly bioavailable proteins. WPC is rapidly assimilated providing a surge of amino acids to the body to accelerate recovery and boost protein synthesis.*
- 2- MILK PROTEIN CONCENTRATE (MPC): A unique combination of Casein and Whey in their native 80% to 20% ratio found in natural milk. MPC has a complete complex of Essential, Branched and Non-Essential Amino Acids (the building blocks of protein) and provides a sustained delivery of protein.*
- 3- WHEY PROTEIN ISOLATE (WPI): Considered by most to be the ultimate in protein supplementation due to its exceptionally rapid rate of absorption and delivery.*
- 4- MILK PROTEIN ISOLATE (MPI): MPI is "Isolated" from whole milk by a series of Ultra-Fine Microfiltration processes that yield a very high percentage of protein while removing fat and lactose. MPI is processed at low temperatures and retains minerals native to milk such as calcium, magnesium and zinc in their bioavailable form.*
- 5- MICELLAR CASEIN (MC): The slowest rate of absorption, providing amino acid delivery for up to 7 hours. This ensures that you can stave off muscle breakdown due to lack of amino acids for a much longer duration.*
- 6- HYDROLYZED WHEY PROTEIN (HWP): A broken-down version of whey that's easier on your digestive system delivering protein faster for speedier recovery.*

TRULY. SATISFYING. PROTEIN.

HEXAPRO™ has a truly rich, thick milkshake-worthy taste that will make you re-think Protein. Delicious and satisfying taste, HEXAPRO™ creates an experience that will make you fall in love with Protein all over again. With taste like this, you will want to make HEXAPRO™ a part of your daily routine. Protein this delicious helps you ditch the snacks and stick to your diet!*

REACHING YOUR GOALS.

Every athlete, fitness competitor or bodybuilder will tell you that frequent feeding is essential. HEXAPRO™ makes getting extra feedings into your schedule delicious and extremely convenient. 6 High-Quality Proteins blended together in an ideal ratio to provide fast, medium and slow delivery; HEXAPRO™ delivers truly satisfying protein with a taste that defies the term "Protein Shake".*

INGREDIENTS: HEXAPRO™ 6-Protein Matrix (Whey Protein Concentrate, Milk Protein Isolate, Whey Protein Isolate, Milk Protein Concentrate, Micellar Casein, Hydrolyzed Whey Protein), HEXAPRO™ Prebiotic, Digestion and Fiber Matrix (Maltodextrin, Prebiotic Blend (Soluble Corn Fiber - Fibersol-2™, Gum Blend (Cellulose, Xanthan)), Protein Enzymes (Protease, Bromelain), Coconut Creamer (Coconut Oil, Soluble Corn Fiber, Sodium Caseinate, Lecithin (Sunflower), Silicon Dioxide), Natural and Artificial Flavors, Sea Salt, Sucralose, Acesulfame Potassium, Lecithin (Soy).

Use this product as a food supplement only. Do not use for weight reduction. † Due to natural variations, product density, resulting from settling and / or humidity, the values are approximate. Shake product before use. Product is sold by weight and serving size is on an "as dry" basis.

HEXAPRO™ PROTEIN PROFILE

• 100% COMPLETE WHOLE PROTEIN SOURCE
• ZERO NON-PROTEIN AMINO ACIDS

Essential Amino Acids (EAA)	
Branched-Chain Amino Acids (BCAA)	
L-Leucine	2454 mg
L-Valine	1492 mg
L-Isoleucine	1346 mg
L-Histidine	586 mg
L-Lysine	1118 mg
L-Methionine	955 mg
L-Phenylalanine	1824 mg
L-Threonine	1970 mg
L-Tryptophan	345 mg
L-Alanine	923 mg
L-Arginine	786 mg
L-Aspartic Acid	2081 mg
L-Cysteine	257 mg
L-Glutamic Acid	4902 mg
L-Glycine	438 mg
L-Proline	1403 mg
L-Serine	1053 mg
L-Tyrosine	1068 mg

Typical Amino Acid Profile is naturally occurring from 100% Whole Protein Sources and may vary slightly.

WARNINGS: Use only as directed. For adult use only. Consult a health care practitioner prior to use if you are pregnant or breastfeeding; if you have liver or kidney disease, or if you have been instructed to follow a low protein diet. Do not use if inner seal is broken. Store in a cool, dry place. Keep out of reach of children.

CALIFORNIA WARNING: Lead is known to the State of California to cause birth defects or reproductive harm. Consuming this product can expose you to more than 0.000005 g of lead. For more information go to www.P65Warnings.ca.gov.

ALLERGEN WARNING: Contains Milk (Whey), Soy, Coconut. Produced in a facility that also handles egg, peanuts, tree nuts, fish, crustaceans and shellfish products.
