

USAGE: Take 1 tablet 1 to 2 times per day or as directed by your qualified healthcare professional.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition (especially of blood pressure or herpes); if adverse reactions occur, discontinue use.

L-Arginine is an amino acid that plays an important role in several important pathways, including the synthesis of proteins, the production of creatine phosphate (needed to produce ATP) and the synthesis of nitric oxide, a secondary messenger involved in blood flow.*

**Keep out of the reach of children.
Store in a cool, dry place.**
