

Suggested use: Take 1 capsule in the morning and 1 capsule in the evening. Take consistently each day for best results.

Note: If you are presently taking any statin drugs and have not been ordered to stop them by your physician, it is best to slowly decrease your statin dosage and to tell your physician. Take a cholesterol test every 10-15 days to monitor your progress. If you are pregnant or lactating, consult a healthcare professional before using this product. Store in a cool, dry place. **Keep out of reach of children.** Do not use this product if the safety seal on the bottle is broken.
