

USAGE: Up to age 4, mix 1/4 teaspoon per day in water, juice, lukewarm infant formula or food, or as directed by your qualified healthcare professional. For newborns, mix into formula only 1/16 teaspoon per day for the first week.

DO NOT feed powder directly to infants or children.

NOTE: Consult a healthcare professional before using this product if your child has a medical condition; if adverse reactions occur, discontinue use.

Jarro-Dophilus® Baby contains *B. breve* M-16V and *B. longum* BB536, probiotics clinically documented for babies.* GOS, like human milk oligosaccharides, supports beneficial Bifidobacteria colonization in intestines.*

Keep out of the reach of children. Keep refrigerated.
