

USAGE: Take 2 delayed-release veggie capsules per day 30 minutes before or after a meal or as directed by your qualified healthcare professional.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition; if adverse reactions occur, discontinue use.

BroccoMax® broccoli seed extract is manufactured using a patented process that preserves myrosinase, the enzyme in broccoli that metabolizes SGS (Sulforaphane Glucosinolate, a.k.a. glucoraphanin) in the small intestine into sulforaphane.* Sulforaphane supports healthy cell replication and liver health.*

Store in a cool, dry place.
Keep out of the reach of children.
