

USAGE: Take 1 capsule up to 2 times per day with food or as directed by your qualified healthcare professional.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition; if adverse reactions occur, discontinue use.

Citicoline (stabilized CDP Choline) is a naturally-occurring intermediate involved in the synthesis of phosphatidylcholine, a major constituent of the grey matter of brain tissue (~25-30%)*. Citicoline supplementation supports brain energy metabolism, and has been shown in clinical research to support attention performance in healthy adults and adolescents.*

Keep out of the reach of children.
Store in a cool, dry place.
