

The *force* of Nature

Aloe Vera Force helps promote normal tissue repair and supports optimal immune function.* The full spectrum of beneficial compounds found in Aloe Vera Force is delivered using a whole-food approach to herbal supplementation. Aloe Vera also supports a **healthy inflammation response.*** New Chapter uses no harsh chemical solvents to deliver a super-pure, super-potent herbal extract.

Full-Spectrum Extraction: Our Difference

Many companies isolate elements from an herb, concentrate them, and label it "whole herb." New Chapter delivers the wisdom of **whole food**, using only chemical solvent-free methods, including supercritical CO₂ extraction, our natural Force extracts guarantee the fullest spectrum of beneficial phytonutrients in their natural profile.
