

USAGE: Take 1 capsule per day with food or as directed by your qualified healthcare professional.
NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition; if adverse reactions occur, discontinue use.
DIM + CDG supports multiple detoxification pathways involved in healthy hormonal regulation.* Calcium D-Glucarate (CDG) supports detoxification by liver glucuronidation, and Diindolylmethane (DIM) supports detoxification by liver 2-hydroxylation.* The DIM + CDG formula supports healthy estrogen and testosterone balance in both women and men.*

Keep out of the reach of children.

Store in a cool, dry place. Do not refrigerate.
