MULTIPLE VITAMIN/MINERAL/  
TRACE ELEMENT SUPPLEMENT  
IRON-FREE

120 TABLETS

## Supplement Facts

Serving Size 2 Tablets • Servings Per Container 60

| Amount Per 2 Tablets                                                                                                                                                           | % Daily Value      |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| Vitamin A (58% (1,050 mcg RAE) as natural carotenes (beta-carotene, alpha-carotene and beta-cryptoxanthin) from <i>D. salina</i> and 42% (750 mcg RAE) as vitamin A palmitate) | 1,800 mcg RAE 200% |
| Vitamin C (as L-ascorbic acid)                                                                                                                                                 | 250 mg 278%        |
| Vitamin D <sub>3</sub> (as cholecalciferol)                                                                                                                                    | 15 mcg 75%         |
| Vitamin E (as RRR-alpha-tocopheryl acid succinate, RRR-alpha-tocopherol)                                                                                                       | 85 mg 567%         |
| Vitamin K <sub>1</sub> (as phytonadione)                                                                                                                                       | 60 mcg 50%         |
| Thiamin (as thiamine HCl)                                                                                                                                                      | 25 mg 2,083%       |
| Riboflavin                                                                                                                                                                     | 15 mg 1,154%       |
| Niacin (67% as niacinamide and 33% as niacin)                                                                                                                                  | 60 mg NE 375%      |
| Vitamin B <sub>6</sub> (as pyridoxine HCl)                                                                                                                                     | 15 mg 882%         |
| Folate (as Metafolin® L-5-methyltetrahydrofolate)                                                                                                                              | 680 mcg DFE 170%   |
| Vitamin B <sub>12</sub> (as methylcobalamin)                                                                                                                                   | 50 mcg 2,083%      |
| Biotin                                                                                                                                                                         | 300 mcg 1,000%     |
| Pantothenic Acid (as calcium D-pantothenate)                                                                                                                                   | 50 mg 1,000%       |
| Choline (as choline bitartrate)                                                                                                                                                | 75 mg 14%          |
| Calcium (95% as calcium citrate-malate and 5% as calcium D-pantothenate)                                                                                                       | 100 mg 8%          |

Other ingredients: Cellulose, croscarmellose sodium, silicon dioxide, vegetable stearate, acacia gum, magnesium stearate, natural citrus flavor, and cellulose coating.

Manufactured by:

| Amount Per 2 Tablets                                                                                                   | % Daily Value |
|------------------------------------------------------------------------------------------------------------------------|---------------|
| Iodine (from kelp)                                                                                                     | 150 mcg 100%  |
| Magnesium (as TRAACS® magnesium bisglycinate chelate, magnesium oxide††)                                               | 100 mg 24%    |
| Zinc (as zinc bisglycinate chelate††)                                                                                  | 15 mg 136%    |
| Selenium (as selenium amino acid complex)                                                                              | 200 mcg 364%  |
| Copper (as copper bisglycinate chelate††)                                                                              | 2 mg 222%     |
| Manganese (as manganese bisglycinate chelate††)                                                                        | 2 mg 87%      |
| Chromium (as chromium nicotinate glycinate chelate††)                                                                  | 150 mcg 429%  |
| Molybdenum (as molybdenum glycinate chelate††)                                                                         | 100 mcg 222%  |
| Boron (as boron aspartate-citrate)                                                                                     | 2 mg *        |
| Vanadium (as bisglycinate oxovanadium)                                                                                 | 50 mcg *      |
| Inositol                                                                                                               | 25 mg *       |
| Citrus Bioflavonoids (85 mg as citrus bioflavonoid complex (50% bioflavonoids) and 15 mg as hesperidin methylchalcone) | 100 mg *      |
| Natural Mixed Tocopherols (RRR-beta, RRR-delta, RRR-gamma)                                                             | 4 mg *        |
| Natural Mixed Carotenoids (lutein and zeaxanthin from <i>D. salina</i> )                                               | 20 mcg *      |

\*Daily Value not established.

**Suggested Use:** Adults: 2 tablets daily with food. Children 4 to 14: Take 1 tablet daily with food or as directed by healthcare professional. Children less than 4 years of age: As directed by healthcare professional.
