

USAGE: Take 1/4 teaspoon, preferably dissolved in fluid or as directed by your qualified healthcare professional.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition; if adverse reactions occur, discontinue use.

Jarrow Formulas® Inositol is readily absorbed and used to produce the active inositides as necessary.* The various forms of inositol (phosphatidylinositol and inositides such as IP3) are active in cell-to-cell communication, (e.g., transmission of nerve impulses).* Tissues that are affected include the brain, liver and muscles.* Inositol (a.k.a., myoinositol) is an indirect source of glucuronic acid, which is essential to liver detoxification.*

**Keep out of the reach of children.
Store in a cool, dry place. DO NOT refrigerate.**

* THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION.
THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.
