

USAGE: Take 1 capsule 1 to 2 times per day on an empty stomach or as directed by your qualified healthcare professional.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition; if adverse reactions occur, discontinue use.

L-Carnitine is an amino acid found in high concentrations in muscle, heart, and liver tissues. Inside the cells, L-Carnitine transports fatty acids into the mitochondria for energy production (i.e., ATP) and reduces amino acid and protein breakdown.* L-Carnitine supplementation helps to support an active lifestyle and your body's natural energy production.*

Keep out of the reach of children.
Store in a cool, dry place.
