Ingredients: R,S

Butanediol Diacetate
Ester (AcAc Ketone Ester)

Use for a **ketone boost**, as needed. To decrease risk of GI upset, begin with a one (1) milliliter serving and increase dose gradually with use until you reach a 10ml serving (or your desired serving size based on your desired effects). Mix with an ounce or two of a suitable liquid, based on preference. Always consult a physician before taking any new supplement.

Warning: GI distress is likely with higher dosing. To decrease chances of GI distress follow instructions closely, starting with a very small dose. Additionally, this product should be diluted for use. Taking this product on its own increases risk of GI distress.
