

USAGE: Take 1 softgel per day, preferably with a fat-containing meal, or as directed by your qualified healthcare professional.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition; if adverse reactions occur, discontinue use.

MaculaPF™ (Protective Factors) Blue Light Protection is a synergistic combination of three key antioxidant carotenoids to support the eyes' maculae in blue light from all types of screens, LED lighting, and sunlight.* The macula is responsible for focus and color.

Keep out of the reach of children.

Store in a cool, dry place.
