

USAGE: Take 2 softgels 2 times per day with meals or as directed by your qualified healthcare professional. For pregnancy or lactation, take 1 to 2 softgels per day; for children, give 1 softgel per day.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition (especially a bleeding disorder); if adverse reactions occur, discontinue use.

Max DHA® contains omega-3 fatty acids from fish oil highly purified and concentrated by **molecular distillation**.

DHA is a predominant fatty acid in the brain, nervous system and retina of humans.* DHA is important for fetal and infantile neurological development.* DHA also supports brain function.*

Keep out of the reach of children.

Store in a cool, dry place away from light and heat.
