

USAGE: Take 1 softgel up to 3 times per day with food or as directed by your qualified healthcare professional.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition; if adverse reactions occur, discontinue use.

Q-absorb® is a proliposome lipid-soluble delivery system clinically shown in humans to increase Co-Q10 (Ubiquinone) levels by nearly 400% over baseline with exercise and 3-4 times better absorbed than chewable Co-Q10 tablets. As an antioxidant, Co-Q10 helps promote vitality by supporting mitochondrial health and efficient energy production, the health benefits of which support cardiovascular function.*

Keep out of the reach of children.
Store in a cool, dry place.

* THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.

Particle formation inside softgel is normal and dissolves after ingestion.
