

USAGE: Take 1 softgel 1 to 3 times per day with a meal or as directed by your qualified healthcare professional.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition; if adverse reactions occur, discontinue use.

Co-Q10 is found in energy-rich tissues like the heart and supports mitochondrial health and energy production, the health benefits of which support cardiovascular function.* Ubiquinol, the reduced, active, antioxidant form of Co-Q10 is significantly better absorbed than regular Co-Q10. **Jarrow Formulas'** proprietary **QH-absorb®** formula has been shown clinically in humans to increase Co-Q10 levels by 222% (100 mg per day) and by 777% (300 mg per day) over baseline.

Keep out of the reach of children.
Store in a cool, dry place.

* THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.
