

ArginCor™ is a medical food formulated to provide specialized nutritional support for patients with peripheral artery disease. It provides high quality L-arginine, magnesium, folate, and beet powder to increase nitric oxide production to support circulation and heart muscle function.

**NOTICE: THIS PRODUCT IS TO BE USED UNDER THE DIRECT SUPERVISION OF A PHYSICIAN OR OTHER LICENSED HEALTHCARE PRACTITIONER.**

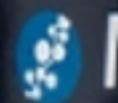

**DIRECTIONS:** Take about two scoops (25 grams) with 8 fluid ounces of water daily or as directed by your healthcare practitioner.

This product is **Gluten Free and Vegetarian**.

**CAUTION:** If pregnant or nursing, or taking medications, consult your healthcare practitioner before use. If you have had a myocardial infarction (heart attack), consult your physician before use. Excess consumption of sorbitol may cause gastrointestinal upset. Keep out of the reach of children.

**STORAGE:** Store in a cool dry place.

Contents sold by weight, not volume. Some settling may occur during shipping and handling. Serving size is measured by weight with a scoop included for your convenience. The amount of product contained in 2 scoops may be above or below 25 grams due to variations in handling and product density.
